Baseball Schedule Gives Long Season

Seniors Will Start First Series on May 15 and Second Will Not Close Until County Fair Is Near.

Five teams will make the race for the Senior Maui Baseball Championship which will start Sunday, May 15 and run through two series, until October 2, leaving the contestants in the pink of shape for the series that will probably be a feature of the Fair program. Asahi did not sulk outside as was threatened but the management and members of the team recognized the fairness of the demands that were made and came through like good sports.

In the Intermediate Class, Kamehameha III scored 30 instead of 21 points; St. Anthony School, 21 instead of 19; Puunene, 9; Wailuku, 5 and Maui High and Paia Schools, 1 each.

In the Junior, Puunene school scored 23 and Lahaina 21.

Ringside Club First Smoker Fine Success; Others Will Follow

For a first attempt the smoker of the Wailuku Ringside Club was all that could be asked and promises to bring into existence a strong supporting organization for ring and mat exhibitions on Central and in East Maui. The attendance was good in the face of counter attractions and those there had an evening of sport and fun that makes them hunger for more.

As was expected several of those who donned the mitts showed comparatively small experience and still others showed a lack of training, lacking the pep and aggressiveness they showed at first when second or third rounds were reached, but the exhibitions were well worth going a distance to see.

Special mention should be made of one boy, Jack Ferreira, who has the style, the wallop and the aggressiveness of a real comer if he falls under proper instruction. He showed more real class than any of the others, large or small.

In the first bout "Batting" Kaiwa had enough punishment from the gloves of "Red" Dutro in the third and in the second go Tula Enos had enough from clever Jack Ferreira in the second. Other goes that failed to extend to the limit were between Tony Silva vs. Manuel Souza and Peter Souza vs. Valentine Dutro, the two last named of each pair throwing up the sponge. A bout that furnished much merriment was between "Jack Dempsey" Kong and Henry Gomes. The former had a style all his own, came back for more at every rush, shaded his opponent at the outset and was ready for more when the gong sounded though outpointed toward the last. It was a draw.

The events were:
1. Red Dutro vs. Batting Kaiwa.
2. Jack Ferreira vs. Tula Enos.
3. Benny Rego vs. "Chinky" Wilson.
4. Takemoto throws L.rotsu, two falls in 5 minutes, 15 seconds.
5. Johnny "Jack Dempsey" Kong vs. Henry Gomes.
6. Tony Silva vs. Manuel Souza.
7. Peter Souza vs. Valentine Dutro.
8. Hotta wrestled Nagamatsu 15 minutes without a fall.
9. Tamotsu Fugimoto wrestled 10 minutes with Kid Harry Chee—no fall.
10. Joseph I. Silva ran Pedro Elabaro around the ring for 3 rounds, hitting him at will.
11. Kid Sunda took on Mitsuo, who claims the island lightweight championship, in catch as catch can wrest-

May Day Festival and Kite Flying Contests To Be Held Tomorrow

Tomorrow's May Day festival at the Wailuku ball park promises to be a most interesting event and one well worth seeing, report those in charge. The program is to begin at 2 o'clock with the kiteflying contests. A number of boys have been making kites in preparation for such contests and it is promised that some attractive and unusual kites will be seen. Prizes are being offered for distance, for the largest kite, the smallest kite and the prettiest kite.

The Maypole dancing will follow the kiteflying contest. Final plans indicate that there will be six poles, teams of dancers having been entered from the following schools: Wailuku Public, 2 teams; St. Anthony's, 2 teams; Puunene, 1 team, and Wailuku Gymnasium, 1 team. A silver cup will be awarded to the best dancers.

It is also being rumored that the Alexander House Kindergarten will have some part in the May Day ceremonies, but just what they are to do has not been disclosed.

A small admission fee, 10 cents for adults and 5 cents for children, will be charged in order to cover the cost of prizes and other expenses.
